Oh! I've been swamped and the FR notice is on my list. Steve sent me a note earlier about it and I think he basically said it was ok. I still need to read it.

So, when you are in and have a chance to chat, give me a call. I'm making changes working off Mindy's version to try to have a clean copy that only reflects changes from what we had (language changes that is).

Alexis,

I decided to transfer my Q's to Mindy's redline because I don't think it was easy to see what she did the other way. Clearly I think a bit of this is off track and opens up more cans of worms than we want at this time.

Lets talk tomorrow. - Kathy
